(COUNTY OF ELKO)

May 4, 2010

The Town Advisory Board of the Unincorporated Town of Montello, Met in a regular session on May 4, 2010 at 12:00 P.M. at the Montello community center at 4th and A Street in Montello, Nevada.

All Advisory Board members were present.

The proceedings were as follows: Mary Temoke called the meeting to order at 12:10 P.M. The minutes were approved by the board.

PUBLIC COMMENT PERIOD: There were not any public comments at this time. The guest speaker Ken Wellington was not present at this meeting he would be in town on May 5th. He was in Reno today and could not make it to the meeting.

ROAD CONDITIONS IN THE UNINCORPORATED TOWN OF MONTELLO: Jill stated that it looked like the roads were being worked on she noticed that the area in front of the post office was not flooding any more and there was gravel put on that part of the streets. There are still some areas that need gravel some of the back streets and the area in front of the community center.

BOARD MEMBER AND COUNTY COMMENTS: We were supposed to get the revised sewer paperwork from Lynn Forsberg the day after the last meeting. We still have not received the paperwork. Jill Neumann stated that the way the paper work is started not one of the people on the list will qualify for the loan. There is not one person in this town whose house is up to code. All of the people on the list will not qualify for this reason. Also if you already have existing service with them you do not qualify. Most of the people have more than one property on the system or they already have water on their lots. We need to find out who may be ready for inspection and get an inspector out here. Laura will call Demar Dahl about the sewer.

We would like to put an action item on the agenda for cleaning up the cemetery and also for the board to get a copy of all paper work pertaining to the cemetery. The next meeting will be on June 1st at 12:00 noon.

ADJOURNMENT: The meeting was adjourned at 12:50 P.M.
