

(STATE OF NEVADA)
(COUNTY OF ELKO)

September 7, 2010

The Town Advisory Board of the Unincorporated Town of Montello, Met in a regular session on September 7, 2010 at 12:00 P.M. at the Montello community center at 4th and A Street in Montello, Nevada.

All Advisory Board members were present.

The proceedings were as follows: Mary Temoke called the meeting to order at 12:05 P.M. Mary Temoke stated that we have some guest speakers. Lynn Forsberg is here to talk about our water.

PUBLIC COMMENT PERIOD: Lynn Forsberg was here to talk about the water in Montello. He stated that the county needed to raise the rate of the water to \$28.00 a month that is a \$2.00 price raise. He also stated that they needed to start meter reading. The reason for the meter reading is that there were people that were leaving their sprinklers on all day. Lynn stated that it would be a \$1000.00 dollar fee to connect to the water on a new connection. If you want your meter turned off for the winter it would be a \$50.00 charge. Some of the public stated that it was a \$10.00 fee to turn off your meter. Lynn stated that they cannot do that for \$10.00 anymore. It cost them more than that to turn off the meter. Lynn stated that the residents that live outside of Montello that have their water will be charged by a metering system. They will be charged \$28.00 for the first 1,000 gallons and another \$28.00 for everything above that. All hauled water goes into the water fund for Montello. Lynn talked about taking the water spicket out at the park. The advisory board did not want for them to do that. We need that water there. Can't we just put a lock on the spicket? Jill stated that they once told her that there was a sprinkler system in the truck at the end that was donated by Jarbige can we put that in. There were no other public comments at this time.

DISCUSSION ON MATTERS RELATED TO THE MONTELLO FOOD BANK AND ALL OTHER MATTERS

RELATED THERETO: Mary Temoke stated that the only thing that we are going to talk about is the 5013c that pertains to the food bank. How the 501 3c is to be used at the moment the Baptist church is the 501 3c for the food bank. But there has to be a pasture at the church in order for this to work right now the church does not have a pasture. The fire department is the only other 501 3c in town. We are not going to take action on this at this time it is just so the town is aware of the situation. We have 90 days to come up with an idea on this. We need to have the fire department and the church discuss this in their meeting to decide what we are going to do. We need a three person board to oversee the food bank.

DISCUSSION ON ITEMS TO BE DISCUSSED AT THE SEPTEMBER 15TH MEETING WITH THE COUNTY

COMMISSIONERS AND ALL OTHER MATTERS RELATED THERETO: The county commissioner will be here on the 22nd. Is there anything that we feel needs to be talked about? Gravel and grating of C Street. If the pipeline wants to put in a toilet at the park then they would be able to use the park for camping.

BOARD MEMBER AND COUNTY COMMENTS: Items for next agenda Petition for the preservation of the Court house/Jail and the Community building.

ADJOURNMENT: The meeting was adjourned at 1:05 P.M.
