BOARD MEMBER AND COUNTY COMMENTS;

It was stated that there was going to be a job fair for the senses on February 12 at 1:00 pm at the community building.

Mary Temoke bought up that El Paso gas was going to be bringing a natural gas pipeline through Montello. The pipeline is going to bring lots of jobs to Montello. El Paso gas will not be using part of Montello to store there pipes for the pipeline.

We talked about bringing in some gravel for the door in back of the community building. There was a lot of mud and that is the only door we can use until the county fixes the other door.

Jill Neumann stated that we would like to put up some no risk signs at the Montello community park. She also stated that there were people in town that would like for there to be an ice skating rink in the park in the winter months. We decided to put this on the agenda for next month. The next meeting will be on March 2nd at 12:00 pm.
