

PROVISIONAL VOTING RESULTS

If you voted a provisional ballot, you may call the Nevada Secretary of State's Office at [1-877-766-8683](tel:1-877-766-8683) to find out if your vote was counted. Be sure to have the 9 digit confirmation number available. If you were given a number less than 9 digits, please put zeros in front of the number to get the right 9 digit configuration.
