INSTRUCTIONS FOR MARRIAGE OFFICIANT

Please read the following information before performing any marriages.

The Marriage Ceremony:

Per Nevada Law, there is no set format for the marriage ceremony; however, the law specifies that the witness and the marriage officiant **must be present** when the couple declares that they take each other as husband and wife. The requirement to **be present** means that the witness, the marriage officiant and the couple must all be in the same room. The law also requires that the marriage ceremony take place in the **State of Nevada**.

When a couple appears before you to be married, they should give you three documents:

- Marriage License
- Keepsake Marriage Certificate (with Gold Seal)
- State of Nevada Marriage Certificate

Process each document as follows:

Marriage License:

- Pursuant to Nevada law, do not perform the marriage until you have been provided with the Marriage License.
- Check the lower right-hand corner for the date of issuance. Marriage Licenses in Nevada are valid for one year after the date of issuance.
- Review with the couple the spelling of their names. If there is an error, there may be a \$28.00 fee to correct the Marriage License.
- Keep the Marriage License for your records. It is important for you to have a complete record of each marriage ceremony you perform including the witness' names.

Keepsake Marriage Certificate:

- Complete the Keepsake Marriage Certificate and present it to the couple as a souvenir of their wedding. This is not an official document and should not be recorded; however, it is an important document for the couple to retain. If their certificate is lost or destroyed, the keepsake certificate is often used to re-create the State of Nevada Marriage Certificate, and may be used to acknowledge that the ceremony occurred.

State of Nevada Marriage Certificate:

- After the marriage ceremony, complete the information on the State of Nevada Marriage Certificate. It is recommended that you keep a copy of the marriage certificate for your files.
- Type or print all information with **black ink only**. The certificate must be filled out completely and legibly.
- On the 3rd line, fill in the place or street address and city where the wedding was performed.
- The name of the witness should be PRINTED on the appropriate line. **DO NOT** have the witness sign his or her name.
- Sign your name on the line indicated for "Signature of person performing marriage." **DO NOT** use a signature stamp.
- Type or print your name, title and address on the lines below your signature.
- Take or mail the State of Nevada Marriage Certificate to the Elko County Recorder's Office to be recorded. Per Nevada Law, marriage certificates must be recorded within 10 days of the marriage ceremony. **Failure to do so is a MISDEMEANOR under NRS 122.230 and may result in penalties including loss of the privilege of performing marriages in Nevada.**

The Elko County Recorder's Office is located at:
571 Idaho Street
Elko, NV 89801
Telephone: 775-738-6526

A certified copy of the marriage certificate may be obtained from the Recorder's Office within a few days after the certificate has been delivered.

To review the Nevada Revised Statute governing marriages and familiarize yourself with your responsibilities, please refer to NRS 122.230 at the following web page:
