**Updates from Board Members**

- Volpi asked about the feasibility of holding the Library Board meetings at other Branches occasionally. She believes that the Board should be showing support to the other communities and library staff. Commissioner Williams informed the Library Board that the Elko County Commissioners had recently changed their policy to an “as needed” basis. At the conclusion of the discussion it was agreed that Board members could elect to “tag along” when Elko Library staff go to the Branches. Hammons will keep the Board apprised of scheduled trips to the Branches. Board members will let Hammons know if they will “tag along”.
- Volpi shared an article about the City of Wells doing the “Little Free Libraries” in a number of locations. Discussion followed. Volpi thought it was a great idea. Hammons expressed similar thoughts but also asked if they would have an impact on usage of the public libraries.
