

Attention:
Effective Until Further Notice

Elko County Community Development, which includes Building and Safety, Planning and Zoning, Public Works and Natural Resources, have closed the office to the public. We have provided a drop box for all Community Development related business. Please drop off deliveries and or submittals in the box and ring doorbell to notify staff.

We will notify you for schedule pickup and payment over the phone.

If it is imperative to meet face to face please schedule a time to meet by contacting the department you need.
