Further, the concept of corrective discipline is intended to provide a fair and equitable system for treatment of employees who will not or cannot bring their performance and/or behavior up to the standards expected by the County.

Corrective disciplinary action may begin at any of the steps of employee discipline, depending on the seriousness of the offense and/or conduct in question, the frequency of the of the occurrence of the substandard performance and/or behavior, or the cumulative effect of multiple minor infractions.

The provisions of this Article shall not apply to oral reprimands or employees serving a probationary period. Employee discipline, excluding oral reprimands, may be appealed through the procedure set forth below, and this procedure shall be the exclusive remedy for the appeal of disciplinary actions.

1. Investigation. Upon receipt of information and/or allegations suggesting that an employee has engaged in conduct and/or has performed in a manner that does not meet the standards for performance established by the County, the County will initiate an investigation into the alleged misconduct.

2. Relief from Duty. During the Investigation into alleged misconduct, and notwithstanding the provisions of this Article, the County Manager may approve the temporary assignment of an employee to a status of administrative leave with pay pending the County's completion of an investigation(s) into the conduct and/or the issue giving rise to the investigation.
3. Written Notice of Disciplinary Action. Upon the County's completion of its investigation into the alleged misconduct of an employee, the County shall issue a written notice of its intent to take disciplinary action. 5. **County Response.** Where an employee responds to a Notice issued by the County, either in writing or orally, the County will have ten (10) working days from the date that the employee submits his or her response, either orally or in writing, to consider the employee's arguments against the County's proposed disciplinary action and to issue a written determination as to whether it agrees with the disciplinary action proposed within the Notice, or will instead impose another form of discipline.
6. **Written Reprimands.** Written reprimands will not be subject to the appeal procedures in Article 9(A) (1)-(5). If an employee desires to appeal a written reprimand he/she shall file a written response to the written reprimand with the person issuing the written reprimand and request review by the person issuing the written reprimand within ten (10) working days of receipt of the written reprimand. The person issuing the written reprimand will then respond to the employee within ten (10) working days of receipt of the request for review. If the employee disagrees with the response of the person issuing the written reprimand the employee may appeal the response to the County Manager or designee within ten (10) working days of receipt of the response. 1. An unauthorized absence from work shall be treated as leave without pay, and shall be a cause for disciplinary action.
2. An unauthorized absence for three (3) consecutive days shall be regarded as an automatic resignation from County employment.

ARTICLE 24 – TRAINING PROGRAMS

- A. Unit employees shall be compensated for mandatory attendance at training programs in accordance with the provisions of the Fair Labor Standards Act, 29 U.S.C. Section 201 and following.
- B. Ambulance Employee Training: Ambulance Employees are required to maintain specific certifications based on their individual employment classifications. The County considers the maintenance of all certifications required as part of an employee's classification to be a condition of employment. *Because* the maintenance of such certifications is a condition of employment, the County will, at its expense, schedule and provide Ambulance Employees with access to training which is sufficient to ensure that each classification of Ambulance Employee may remain compliant with the certifications required for his or her individual employment classification. The County will provide Ambulance Employees with thirty (30) days written notice of the scheduling of each training provided pursuant to this provision.

Should an Ambulance employee be unavailable to attend a scheduled training, which is required for that employee's individual employment classification, because he or she is

unavailable due to a work-related conflict, the County, upon receipt of written approval for said absence issued by the Ambulance Director, shall provide the employee with said training at a later date. Should an Ambulance employee fail to attend a scheduled training which is required for that employee's individual employment classification for a reason that is not the result of a work-related conflict, that employee shall be required to obtain the training provided during the training course on the employee's own time and at his or her expense.

ARTICLE 25 – EMPLOYEE DEDUCTIONS

- A. Upon receipt of a written authorization voluntarily executed by an employee, the County will deduct monthly Association dues from the salary of an employee who so requests and transmit said monies to the Association. The parties shall agree upon the form of the written authorization.
- B. The Association shall indemnify and hold the County harmless against any and all claims, demands, costs (including attorneys' fees), suits, and all forms of liability and damages (including, but not limited to, compensatory, consequential and punitive damages) which arise or may arise out of or by reason of any action taken or not taken by the County pursuant to paragraph A above.

ARTICLE 26 – LAYOFF AND RECALL

A. Layoff

The following procedures shall be followed when the County Commissioners determine, due to lack of work or lack of money, that layoffs are to occur.

- 1. The County Commissioners, after consulting with the County Manager and Department Heads shall determine whether the layoff shall be implemented on a County-wide basis, or in one or more departments, work groups or job classifications. When the scope of the layoff(s) is determined, the affected employee(s) shall be selected for layoff based on length of County service: i.e. the one(s) with the least seniority shall be laid off first. If two (2) or more employees have equal seniority, the Board of County Commissioners shall consider the following factors in selecting which employee will be laid off including, but not limited to, prior performance, productivity, efficiency, qualifications, attitude, attendance, punctuality and length of service.
- 2. Regular employees shall not be laid off until all temporary, seasonal and probationary employees in the affected classifications have been separated from the County service.
- 3. In the absence of a fiscal emergency, the County Manager shall notify those employees to be laid off five (5) calendar weeks prior to the effective date of any such layoff.

4. An employee laid off shall not have the right to a pre-termination hearing or an administrative appeal except as provided in paragraph B of this article.

B. Appeal

1. Any appeal of the application of the layoff criteria set forth in paragraph A(1) of this Article must be signed by the employee and Association and submitted to the Department Head and the County Manager within 5 working days of the receipt of the layoff notice. The County Manager will schedule an informal meeting before the Layoff Review Committee (“the Committee”) within five (5) working days. This Committee will hear all layoff appeals to determine whether the layoff criteria as set forth in paragraph A (1) above were correctly applied. Unless appealed, the decision of the Committee will be final and shall be issued within five (5) working days of the hearing.
2. The Association will select two (2) representatives and the County will select two (2) representatives on the standing Committee. A majority vote of the Committee will be necessary to reverse the initial decision. The Committee shall develop a procedure for the layoff review process prior to conducting any review.
3. If the Committee is unable to reach a decision, the initial layoff determination and the written appeal shall be submitted to the County Commissioners for a final and binding determination, unless rescinded by the employee.

C. Recall

1. An employee laid off under this Article shall have his/her name placed on a County reemployment list for a period of twelve (12) months. If the positions in which the layoffs occurred become available, those laid off employees on the reemployment list who occupied those positions prior to the layoff shall be eligible for reemployment in reverse order of layoff. If two or more employees were laid off at the same time eligibility for reemployment shall be based on the same merit and length of County service factors as set forth in paragraph A(1) of this Article. An employee rehired from a valid reemployment list to his/her former position shall receive his/her prior salary. Employees on the reemployment list who are selected for rehire shall be notified by certified mail, return receipt requested, at their last known address, and shall within ten (10) calendar days of receipt respond affirmatively by certified mail or in person that they are accepting reemployment. Failure to respond in a timely manner will mean that the person has refused the reemployment offer. The person’s name shall be removed from the reemployment list. An employee must return to work within two (2) weeks of acceptance of the offer.
2. Upon rehire or reemployment after layoff, the time that the person was on layoff

shall be counted as a break in service.

ARTICLE 27 – PRIVATE AUTOMOBILES

- A. Where an employee is required by a Department Head to use his/her private automobile in the performance of County business, he/she shall be reimbursed at the rate established by Nevada Revised Statutes for each mile actually traveled in the performance of such County business. In the event an employee is required to use a passenger vehicle in the performance of his/her job, the County will make every effort to provide a County vehicle for use.

ARTICLE 28 – ACTING PAY

- A. In the event there is a temporary assignment of duties and responsibilities of a higher classification, the employee shall be compensated according to the following policies and procedures:
1. Pay for work in a higher classification is a short-term remedy in those instances where temporary replacement is required for an incumbent of a position who is not available to perform the duties of the position, or when there is a vacant position in a higher classification requiring the temporary assignment of duties.
 2. When the conditions of this Article have been met, the employee is entitled to an increase of 6% in salary for the time performing under the written direction provided for in this Article after the employee has worked in the higher classification for a minimum of 15 consecutive working days, in which case the increase in salary shall take effect on the 16th consecutive working day, and shall be retroactive to the first day of work performed during such appointment. The increase in salary, is effective only when the conditions of this Article have been complied with.
 3. Acting pay is not paid when the employee acting in a higher capacity is off for a holiday, is on leave status, or the acting employee is doing so for training purposes.
 4. The department head or elected official, as the case may be, shall confirm the dates and length of the assignment, as well as the duties assigned to the employee in writing prior to the assignment.
 5. Acting pay may not exceed thirty (30) days without the written approval of the County Manager first obtained.

APPENDIX A – SALARY SCHEDULE

In the fall of 2019, the County discovered three (3) employees in the classifications covered by the ECEA’s collective bargaining agreements were not in fact employees of the County, instead were employees of the Elko County Fire Protection District; a distinct governmental entity. The parties agree it is inappropriate to include employees who are not employed by the County in the ECEA collective bargaining agreements because the County is not at liberty to negotiate on behalf of the employee’s employer. As such, the parties have agreed to revise Appendix A to reflect only those classifications of employees who are employed by Elko County, and removes classifications from the collective bargaining agreement where said classifications are not employed by the County.

In light of the foregoing, the Parties agree to the following amendment to Appendix A:
